BACKGROUND

We are organising this Extraordinary General Meeting in response to a request from Kildare County Council to bring forward an agreed plan for back -lots and green areas within our estate. Since we wish to allow as many residents as possible the opportunity to express their views on this topic, we anticipate that there may not be ample time for such a discussion at the AGM.

It has always been our policy to be open and transparent on this and other issues. For this reason, we are now providing the opportunity for any resident/group of residents to put forward proposals in relation to the future use of back -lots and green areas located within Castletown state.
