A.G.M. NOTIFICATION

Gary Phipps
 (Chairman)
 Dan O'Shea
 (Treasurer)

Our A.G.M. will take place on the 13th of May at 8pm in the Kildrought.

We know that many people will have issues that they would like to raise with the committee and would all to attend.

www.

castletownresidentsassociation.com

Over the last year we have attempted to deal with many issues and also have tried to commence some new initiatives. Some of these include ;

Website

Our website is currently Offline due to some web hosting difficulties, however, this will be back up and running shortly with a new, revamped look and feel to it. We hope that you can bear with us in the meantime.

Removal of unsightly Graffiti, Planting, Maintaining grass areas, Garden Competition, Acquiring of wheelie bins which have been tended to by certain residents who have given of their time to collect litter throughout the estate, Drugs Awareness Night, Liaising with local Gardai, Liaising with OPW and KCC regarding Open Space Area, Dealing with OPW regarding access through our estate, making representations regarding speed restrictions within the estate including road markings at junctions, submitting for Tree maintenance, Gazebo, Double yellow lines as requested at start of The Drive / removal of yellow lines along the remainder of Drive, Newsletters to keep residents informed of issues, Website launch and upkeep, Parking survey and submission to KCC, Awkward / obstructive parking, noise pollution, Clean ups.

Members / Non Members / Tennants or Owners.

We invite ALL residents of Castletown to come along on the night—regardless of current status. We are all neighbours in the estate and as such all have the same shared interest in where we live. So please come along and join on the night.

We have also negotiated a new contract for the maintenance of the estate which will see more being done this year to improve the overall look of the estate especially in the hope of improving our position in the Tidy Estates points table.

As you can see, there are a whole host of items which we try to deal with throughout the year and it will only be with YOUR valuable insight and input that we might be able to improve on these and other issues—so please do come along on the night.

The lifeblood of the Association which allows us to contemplate further undertakings are of course—subscriptions. These can be paid on the night. These subscriptions allow us to do what we do so far, they are kept low though by comparison to fees payable in other estates.

Committee

As always, we would encourage anyone who feels they would have something to offer and can give of some of their own time to come along and join our currently small but growing committee. Help is always needed.
